No. 820E

Rating Plate Change for the FR-E800 Series Inverters

Thank you for your continued patronage of Mitsubishi Electric drive control products.
Models compliant with the EU ErP Directive (Ecodesign Directive) have been added to the FR-E800 series inverters.
Due to this, the description on the rating plate will be changed.

1. Products Affected

FR-E820-0.1K(**)
FR-E820-0008(**)

Note: ** indicates alpha numeric combination which means an inverter type such as EPA and -60. All combinations are applicable.

2. Details of Change

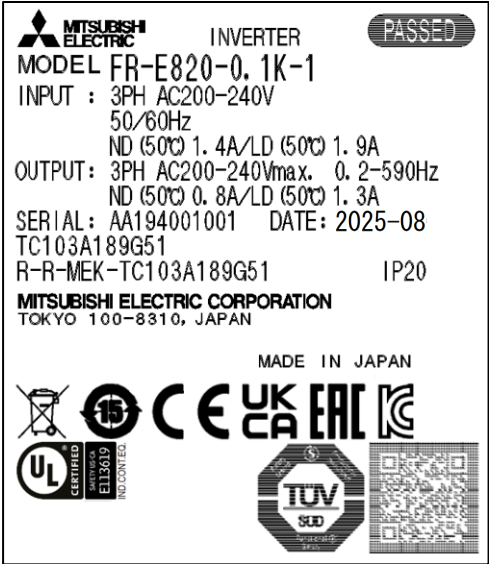

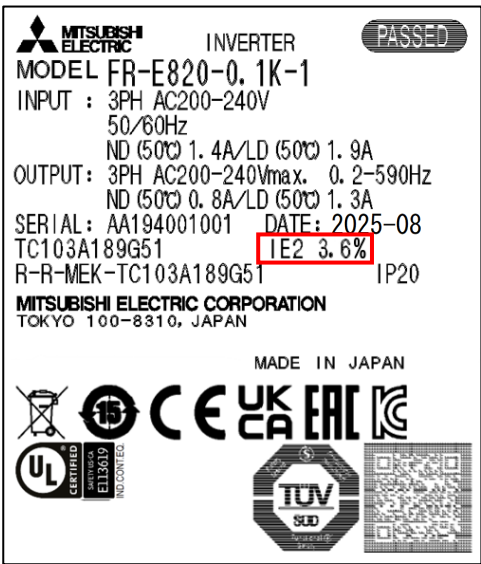

Due to the compliance with the Ecodesign Directive, the description on the rating plate of the product will be changed as shown in the following table.

The change does not affect the quality, performance, or specifications of the product.

(Example) FR-E820-0.1K-1

The product complies with the Ecodesign Directive when the LD rating is selected.

When the ND rating is selected, the product does not comply with the Ecodesign Directive.

Before	After
