

Mitsubishi Electric Showcased Advanced Manufacturing Solutions at Grand City Surabaya 2025

Mitsubishi Electric Indonesia successfully participated in the **Manufacturing Exhibition at Grand City Convention & Exhibition Center, Surabaya**, held from **16–19 July 2025**. Over the four-day event, our booth (#802) welcomed numerous visitors from the manufacturing industry, who explored and experienced our latest innovations.

With the theme **“Your Partner in Manufacturing Solutions,”** we showcased a range of advanced technologies designed to support efficiency, productivity, and digital transformation in manufacturing.

Highlights at our booth included:

- **CNC Engraving Demo Machine**
- **Energy Monitoring System**
- **Induction Motor**

- **Robot for Pick and Place Application**
- **Real-Time Data Visualization**
- **Wire-cut EDM Machine**

Visitors had the opportunity to engage directly with our experts, gain insights into our solutions, and see firsthand how Mitsubishi Electric continues to drive innovation in manufacturing.

We thank all participants, partners, and visitors who joined us at this exhibition. Your enthusiasm and interest inspire us to keep delivering solutions that empower industries to achieve more.

Stay connected with us for updates on upcoming events and innovations!
